

# NEW ENGLAND'S LEADING TOP SUPPLIER OF CASTERS, WHEELS, HAND TRUCKS, AND CARGO CONTROL EQUIPMENT!

Since our incorporation in 1941, our family-owned, custom caster company has proudly served the Northeast with the largest inventory of its kind. We provide our extensive product line to all New England states including Maine, New Hampshire, Massachusetts, Vermont, Rhode Island, and Connecticut. Offering top quality casters, wheels, and other motion control products from the manufacturers you trust the most!

Our products are designed with safety and durability in mind, and our skilled product specialists are happy to offer custom caster configurations to suit even the most unique applications. In addition to our unmatched selection of products and helpful customer service, C.P. Lauman is proud to offer numerous support features to better serve our valued customers
