Focus on Customer Experience !

We support the growth and development of the Northeast by proudly serving New England's largest industries including fisheries, automotive, food service, textile, beverages and more. The custom casters, wheels, hand trucks, and cargo control products we offer provide reliable motion technology and cargo control solutions for the unique requirements of their everyday applications.

At C.P Lauman, our commitment to excellence combines our dedication to supplying the highest quality products, with our unwavering promise of outstanding customer service. We have built our reputation on forming partnerships with our customers, taking the time to get to know their unique needs, then providing optimum solutions at a reasonable price point.

Our products are designed with safety and durability in mind, and our skilled product specialists are happy to offer custom caster configurations to suit even the most unique applications. In C.P. Lauman is proud to offer numerous support features to better serve our valued customers !

About us

Welcome to C.P Lauman Company, New England's top supplier of casters, wheels, hand trucks, and cargo control equipment. For more than 75 years we've served the Northeast including Maine, New Hampshire, Massachusetts, Vermont, Connecticut and Rhode Island with the most extensive selection of motion and cargo products on the market. We specialize in providing our valued customers with reliable, top quality casters, wheels, hand trucks, cargo control equipment, and accessories like floor savers and furniture pads.

We've earned our reputation as a top New England caster distributor by providing an unmatched combination of high quality products, industry expertise, and helpful support from our knowledgeable product specialists. We're proud to carry the largest selection of motion technology products from the best known and most trusted manufacturers in the industry including Darcor, Albion, Colson, Superior as well as dozens of other popular caster manufacturers.

Our Vision

As a New England caster company, we feel that it's our responsibility to share our knowledge and offer solutions to even the most unique challenges. Whether your concern is temperature, weight, the ability to sanitize, durability, corrosion, or any other factor, we are confident that we can provide a custom caster that will meet or exceed your expectations. Our extensive inventory is comprised of thousands of product options from the most trusted manufacturers in the industry, including the biggest names in casters like Shepherd, Colson, Albion, Bassick and many more. With so many great brands in stock, our custom options are nearly unlimited!

We excel in problem solving and have the product and caster manufacturer know-how to help match our products to your specific application. Whether you know the exact product number you need, or need our help to decide, one of our skilled product specialists will be glad to help. Just contact us today to get started!

“ We believe building relationship with our customers ! ”

We work for customers ! ”

Customer Support

Here at the C.P. Lauman Company, we see every challenge as an opportunity to build a long-lasting relationship with our valued customers by offering high-quality custom casters and motion technology products. With more than 7 decades of experience as New England's premier caster supplier, we've had the unique chance to work with growing companies in the Northeast's most valuable industries, including automotive, fisheries, bakeries and food processing, beverage, textile, and many more! These industries have played an integral role in the growth and prosperity of New England, and we're proud to have been there to help with their motion control needs; from high-temperature casters for industrial ovens, to stainless steel casters for hospitals, C.P. Lauman can offer custom casters to suit any application.

Products

When you need high-quality casters, wheels, leveling mounts, hand trucks, and other cargo control and motion technology products, don't waste your money on overseas suppliers! Choose products from the caster manufacturers you trust most, conveniently available all in one place, right here at C.P. Lauman! We're experts in motion technology, and offer only the most reliable, expertly designed products in the industry in order to ensure the satisfaction of our valued customers.

At C.P. Lauman, we take pride in the extensive selection of products we offer, including casters, wheels, leveling mounts, hand trucks and accessories like dollies, furniture pads, floor savers, and more. Since 1941, we've listened to our customers' needs, challenges, and feedback in order to build an inventory of only the finest products in the industry. We've partnered with over 30 top industry manufacturers in order to offer the highest quality products at competitive pricing.
